CLEARINGHOUSE RULE 06-044

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated January 2005.]

2. Form, Style and Placement in Administrative Code

- a. In several SECTIONS, the DWD prefix and section number should be included at the beginning of the text. For example, in SECTION 1, “DWD 12.17” should be inserted before “(2)”.
- b. In s. DWD 17.01 (1) and (2), “and” should be replaced with “and”.
- c. In s. DWD 17.03 (1m), the quotation marks around the effective date language should be deleted.

5. Clarity, Grammar, Punctuation and Use of Plain Language

- a. In s. DWD 16.04, should an application include some description of the emergency to be considered complete? Also in that section, it appears that the note to s. DWD 16.04 should not be repealed because it provides information on how to obtain an application form.
- b. In the note to s. DWD 17.04 (2), as renumbered, the current note places the second sentence in a separate paragraph.
